**MANGUERAS
HIDRÁULICAS****JETCLEAN****Sewer jet cleaning hose**

- Inner tube:** internal core in poliester
- Reinforcement:** 2 high tensile aramidic fiber braids
- Outer tube:** orange polyurethane high abrasion resistance
- Safety factor:** 2.5: 1
- Application:** sewer cleaning with high pressure water
- Temperature range:** - 40°C (- 40°F) + 65°C (+ 149°F)
- Couplings:** crimped **Jetclean** coupling serie
